

CITY OF SAN DIEGO

OFFICE OF
COUNCILMAN ANTHONY YOUNG
CHAIRMAN, COMMITTEE ON BUDGET AND FINANCE
DISTRICT FOUR

MARCH 17, 2010 WEEKLY UPDATE

Councilman Young with San Diego's Gospel Station 1040 AM—KURS.

COUNCIL ACTIONS:

On Tuesday, March 9, 2010, the San Diego City Council voted unanimously to approve \$1.4 million from Southeastern Development Corporation (SEDC) housing funds toward the acquisition and rehabilitation of the Vista Grande Affordable Housing Project, located at 5391 and 5411-5425 Santa Margarita Street in the 4th District. SEDC makes these funds available to meet their mandated requirement of spending 20% of their funds on affordable housing projects. This is a commendable partnership with Wakeland Housing towards improving our community and the quality of life of residents living in the Vista Grande Apartments.

Originally built in 1986, the Vista Grande Apartments is a 49-unit apartment complex. The rehabilitated apartments will include two-, three- and four-bedroom units. These older buildings offer a large potential for energy and water savings in the rehabilitation work. The proposed projects include a new insulated roof; energy-efficient doors, windows, ceiling fans, lighting, and appliances; a solar heating or electrical system; water-efficient plumbing fixtures and tank-less water heaters; and water saving irrigation and drought tolerant landscaping. Exterior improvements include painting, fencing and gate repairs, landscaping, roofing, walkways, site drainage, lighting, and parking resurfacing. Also included is incorporation of accessibility improvements to the playground area.

CENSUS 2010 – Help provide a brighter tomorrow for our communities!

If you have not already, you will be receiving your Census 2010 Questionnaire in the mail. Please complete and mail back your Questionnaire (a postage paid return envelope is provided for your convenience).

The census is important to all of our communities. An accurate count of residents in our communities will provide a brighter tomorrow for everyone from better infrastructure to more services. In fact, the information the census collects helps to determine how more than \$400 billion dollars of federal funding each year is spent on infrastructure and services like:

- Hospitals
- Job training centers
- Schools
- Senior centers
- Bridges, tunnels and other-public works projects
- Emergency services

Basic Fire Escape Planning for you and your family:

- Gather everyone in your household to make an evacuation plan; make sure everyone fully understands the plan.
- Walk through the plan with your household and ensure there are no obstructions.
- If there are infants, elderly or mobility-challenged members, ensure there is another member who can safely assist with the evacuation.
- If there are security doors or windows, ensure that they have a quick release mechanism that is operable.
- Choose an offsite meeting site for everyone to meet after evacuating.
- Ensure any guests are aware of and understand the plan.
- Ensure every room has a working smoke alarm.
- Be prepared for a real fire; when the smoke alarm sounds, evacuate immediately,
- call 9-1-1 and do not go back in under any circumstances.

For more information on fire safety, please visit the City of San Diego's Fire-Rescue website at: <http://www.sandiego.gov/fireandems/>.

District Four Planning Groups need your participation. Community planning groups provide citizens with an opportunity for involvement in advising the City Council, the Planning Commission, and other decision-makers on development projects, general or community plan amendments, re-zonings and public facilities. The recommendations of the planning groups are integral components of the planning process, and are highly regarded by the City Council and by staff. There are five Planning Groups that impact District Four: City Heights, Eastern Area, Encanto, Skyline Hills/Paradise Hills and Southeastern. If you live, own a business or property in one of these areas and want to get involved, contact Bruce Williams in my office at (619)236-7175 for more information.
